

Stan Ahalt—Recognitions and appointments

- Member of the Board, National Lambda Rail (NLR), April 2010.
- Member Microsoft Technical Computing Executive Advisory Committee, October 2009 – Present.
- Chair, NSF Taskforce on HPC, subcommittee on Regional Computing Centers, January 2010 – Present.
- Organizing Committee, NSF Workshop on Sustainable Research Centers, Ithaca, NY May 2010.
- Member, NSF Committee of visitors, MRI Program, June 2010.
- Keynote Speaker, 2010 Records & Information Management Conference, Langley, Va., April 2010
- Keynote Speaker: “Industrial and Social Computing,” ADCOM 2009, IISC, Bangalore, India, Dec. 14, 2009.
- Keynote Speaker: “The Ohio Supercomputer Center: Research Overview and Economic Competitiveness Activities,” Great Plains Network Annual Meeting, Kansas City, KS, May 28, 2009.
- Invited Presentation: “Blue Collar Computing: Lessons Learned,” HPC Forum, Roanoke, VA, Apr. 20-22, 2009.
- Chair, *Appalachian Broadband Task Force*, appt. by Congressman Space, Jan. 2008.
- Organizing Committee, CASC/Educause *Workshop Cyberinfrastructure*, Indianapolis, IN, July 2008.
- Invited presentation: “Data Intensive Computing Environments,” DICE Program Review, Cincinnati, OH, May, 2008
- Chair, Coalition for Academic Scientific Computing (CASC), elected, Jan 2009 – Dec. 2010.
- Co-Chair, *Ohio Broadband Council*, appt. by Governor Ted Strickland, 2007 – Sept. 2009.
- Extramural Member, Advanced Biomedical Computing Center (ABCC) Oversight Committee, *National Cancer Institute*, Frederick, MD, 2007 – present.
- Member of the *Council on Competitiveness High Performance Computing Advisory Committee*, 2004-present.
- Chair, Arkansas External HPC Advisory Committee, Little Rock and Fayetteville, AK, August, 2007.
- Keynote Speaker: “OSC: 20 years of service to Ohio,” *Royal Academy of Engineering*, Madrid, Spain, Oct. 2007.
- Co-chair, NSF *Cyberinfrastructure and Chemical and Biological Process Systems Workshop*, Washington, DC., Sept. 2006.
- HPCWire’s “2006 Readers' Choice Award - Best HPC Collaboration Between Government and Industry: *Blue Collar Computing Initiative*.”
- HPCWire’s “*People to Watch*,” 2005
- Keynote speaker, “HPC as an Economic Engine: Blue Collar Computing” *SC2004*, Pittsburgh, PA, Nov. 2004.
- Nominated *Executive of the Year*, Columbus Top Cat regional technology awards, Jan. 2006.
- Recipient of 1999 OSU College of Engineering Annual Research Accomplishment Award.
- Recipient of 1997 OSU College of Engineering Lumley Research Award.
- *IEEE Transactions on Neural Networks*, Associate Editor, July 1999 – July 2001.
